Congratulations to:

Our Open Girls’ Netball team for their effort and sportsmanship during the finals of the CHS Netball Competition held in Wollongong last week. A parent from another school contacted us to let us know what fine ambassadors for WWHS this team are. She wrote: “I want to compliment your Open Girls Netball Team and their coach. The girls played so well at Wollongong this week! I am a parent from one of the schools they opposed twice this week. In our first match-up we drew 18-18. At the end of the game even one of the umpires commented “That was a nice game”, and more often than not the umpires do not make a comment at all. Our last game was another close tussle with Wagga playing back to back games after their previous game went into extra time. Your girls played their hearts out despite their fatigue. I was impressed with their fortitude and their sportsmanship. I congratulate the girls and their coach on finishing in 6th position in the State competition and on their determination and attitude. WWHS can be very proud of them”. Great work girls and Mrs Lawson.

New student leaders

Congratulations to all Year 11 students who put themselves forward for selection as captains for 2016. The selection process for the 2016 student leadership team [our new captains and vice-captains] was completed last Monday with interviews of the seven short-listed candidates. The selection panel based its final decision on all four pieces of evidence it had; i.e. written application, speech, voting patterns and interview. It was a difficult task for the selection panel to choose only four students from such a high quality field. Congratulations go to William Standley and Claudia Jenkins who were selected as Captains and Isobel Cowell and Carter Lovell who were selected as Vice-Captains. Thanks to Brooke Thomson-Crane (SRC rep), Katherine Cochrane (P&C rep) and Trish Henderson (Year 11 Student Adviser) for the great job they did as members of the selection panel. Congratulations again and best wishes to our new student leaders for the year ahead.

Year 12 Design and Technology students will have their major projects marked on Monday and our Music students will complete their performance exams on Thursday.

Contacting students

Two reminders for parents:
• Please, do not under any circumstances ring or SMS your child’s mobile during the school day - you will only get them into trouble and their mobile will be confiscated.
• All personal parent contact with students during the school day must be through the office and will generally only be in an emergency. If you do need to contact your child at school, please ring the school and the office will pass on the message for you.

Thanks to:

The many parents who attended the 2016 Subject Information sessions last week.
Around the traps

• There are still several Year 12 students who have not yet paid all their subject fees for 2015. Remember that you will not be given a school reference or sold a ticket for the formal if fees have not been paid! If there are financial difficulties which have prevented you from making these payments, please see Mr Powell this week.

• Late students must sign in before going to class even if the line is long. If you want to avoid waiting, get to school on time!
